

Чи будете Ви поруч з українцями в час їхніх випробувань?

Пропонуємо Вам приєднатися до наступних проектів та надати фінансову допомогу ветеранам бойових дій, дітям та сім'ям, які потребують Вашої підтримки.

### ***Will you stand with Ukrainians in their time of trial?***

You can provide help for veterans, children and families and for a host of other needs through the following aid projects:

**HUMANITARIAN ASSISTANCE** *United24* is a platform created by President Zelensky. Donors can choose where to allocate their donations: Defence, Humanitarian Aid and Demining, Medical Aid, Rebuilding Ukraine and Education and Science <https://u24.gov.ua/>.

*Ukraine Humanitarian Appeal*, established jointly by the Ukrainian Canadian Congress and the Canada Ukraine Foundation, provides aid for displaced people, medical assistance, emergency shelter and food security. One of its projects funds *surgical missions* led by Canadian doctors and nurses <https://www.cufoundation.ca/our-projects/>.

The *Ukrainian Children's Action Project* helps children to overcome the psychological and material impacts of war, including assisting with education <https://ucap.help/>. The *Mennonite Central Committee* provides housing, counselling and practical supplies such as blankets, hygiene kits and food packages <https://mcc.org/what-we-do/where-we-work/Ukraine>. *Food Boxes for Ukraine* provides food for Ukrainians; it is a program of *Meest Polska* <https://box4ukraine.com/>.

### **EDUCATION, CULTURE AND MAKING A RECORD OF THE WAR**

*Documenting Ukraine* is helping Ukrainian journalists, scientists, writers, and others document the war, to create a record to assist in rebuilding the country <https://www.iwm.at/documenting-ukraine>. *The Centre for Civic Engagement* at the Kyiv Mohyla Academy supports Ukrainian scholars who have been scattered and whose places of work have been damaged and destroyed. <https://civic.ukma.edu.ua/>.

**MILITARY AID** *United24*, in addition to humanitarian funds, also has a fund to support the defence of Ukraine <https://u24.gov.ua/>. *ComeBackAlive* supports development of analytics and supplies equipment to the military including armoured vehicles and drones; the fund also supports veterans and their rehabilitation <https://savelife.in.ua/en/about-foundation-en/>.

This Appeal is from Peter Kirby, retired lawyer who worked at the clinic many years ago and Irene Olson, a retired social worker with strong roots in Ukraine. They have been part of *Kenora Supports Ukraine*, a group which has supported several Ukrainian women to settle in Kenora under Canada's temporary residency program for Ukrainians (CUAET).
